

The Desert Scene's  
By, Aracely Anguamea

I see....a fox run across the desert,  
Running through the bushes,  
And across the road.

I see .... A snake slithering on a tree,  
Through the leaves,  
And out through the branch.

I see.... A scorpion climb on to a rock,  
And at night it glows,  
like a ghost.

I see .... A bunny run between the rocks,  
jump over a Gila monster,  
In to the hole in the ground.

I hear.... A cardinal go cherp, cherp,  
On top of a cactus,  
And fly all the way to the big rock.
