

## *Waterways of Life*

*Hear the rivers life  
Surrounding calming waves  
Full of nourishing force*

*For filling the strength  
Of the desert*

*Feel the water  
Showing, revealing  
A piece of natures  
True self*

*How it flourishes  
How it gives life  
Giving love  
Giving light  
Giving hope  
To you*
